

## Mark your calendars for the annual meeting!

Join us on Tuesday, April 23, at 5 p.m. in Café 1 and 2 for this year's annual meeting. This gathering isn't just about marking another year; it's about celebrating the successes of the Kansas Blue Cross Blue Shield Credit Union, achievements made possible by members like you. As we come together, we'll discuss our innovative products and services, business updates and future goals.

But that's not all – enjoy light snacks and refreshments while connecting with fellow members and the dedicated professionals and volunteers who run the Credit Union.

All members are equal owners of the Credit Union and your presence matters. Credit Union leaders need members to share their ideas and feedback to shape the future of the Credit Union.

By attending, you'll be automatically entered into our cash drawing and all members present will receive a special gift.

Members will leave the annual meeting with a better understanding of the Credit Union's purpose and goals and be better prepared to face today's many financial challenges.
